General information

Article number : 12432890 ADAPT 25W recycled plastic PD travel charger

Description : The ADAPT recycled plastic PD travel charger is a compact and environmentally friendly charging solution designed to keep you powered up in style while on the go. With its recycled plastic housing and copper and nickel plated components, this charger offers both durability and sustainability. The charger comes with US, EU and UK plug, allowing you to use it in various regions with ease. The built-in transformer ensures seamless power conversion for international travel (AC 100-240V 50/60Hz). This travel charger comes with 2 ports (Type-C and USB A) that offer versatile and superfast charging options, and the PPS (Programmable Power Supply) feature allows for adaptive charging. Delivered in a premium kraft paper box with a colourful sticker. PCR Plastic.
