General information

Article : 1PA15190 Priton Mini Sky drone 4K
number

Description : With help from an app, the Mini Sky drone will let you see what the drone's camera captures on your mobile device. The drone can also be controlled with the controls on the mobile screen, which replace the physical ones in the remote control. It has a take-off mode and a mode for automatic return, as well as emergency stop function for greater safety. Accessories included: remote control, 4 spare propellers, USB charging cable, screwdriver, propeller guards, instruction manual and a case. ABS Plastic.
